

Elizabeth City State University, Elizabeth City - Certificate in Emergency Management - Athletic Facilities

ECSU's EM program is committed to graduating quality students, properly prepared to protect their organization, community and country from threats natural and man-made. ECSU believes that EM is a diverse field requiring the talents of many disciplines to protect communities and organizations. With this in mind ECSU has created their program to incorporate and build upon accredited Certificate programs from EM and other disciplines. The ECSU program philosophy is that effective hazard management is best accomplished through a well-trained workforce comprised of persons with a wide-range of backgrounds and talents. Come to discover the world of EM at ECSU; leave prepared to face any threat to your organization, community or country may encounter.

ECSU's EM certificate program is full accreditation from the Southern Association of Colleges and Schools (SACS). Each EM certificate program consists of a total of 15 hours of academic credit in the field. All of these certificate program courses can be utilized for degree seeking students at ECSU towards their degree if they choose to do so later.
